

RECONCILIATION

"Lay Saletenses - Called and sent - The joy of Reconciliation"

Monthly Bulletin 010 / English - November 2022.

The year 2022 is coming to an end. Our countries are still going through difficult times. The Covid-19 pandemic is still raging, the war in some European countries is reflected around the world. We fear hunger, misery, violence, prejudice and much more.

But we have hope and we have faith. We believe that the 2nd. International La Salette Music Concert to be held on 17.12.2022 will be a moment of peace and tranquility. Let us joyfully participate in the inspiration of our La Salette Laity.

"Those who perceive in themselves that sort of divine radiance which is the artistic vocation - of poet, writer, painter, sculptor, architect, musician, actor, etc. - are at the same time aware of the obligation not to waste this talent, but to develop it in order to place it at the service of others and of all humanity.

Letter of the Holy Father John Paul II to the artists, 18/06/2008.
